Transnational Education Forum Brisbane

7th October 2008

The international group of the IRUA is undertaking a project on transnational education, which will culminate in a Transnational Education Forum for IRU Australia members to be held in Brisbane on the 7th October.

The project emphasis will be on sharing policies, frameworks, delivery models and practices across member universities. The group will explore common challenges and solutions. The resultant forum will be focused on identifying solutions and good practice.
